

2023 MEN'S CLUB INFORMATION

1. First up, the Lone Tree Staff would like to thank all 2023 Men's Club Members for their support and participation. Once again, our goal this year is to make Lone Tree "YOUR CLUB" that hosts fun and exciting events. Again, for the 2023 season we will have a Senior Division (with minimum participation required) and will score events with Golf Genius in hopes everyone will get a little more enjoyment out of each event!
2. The Men's Club is open to all levels of play and will use AGA Handicaps to ensure fairness in all events The Lone Tree Golf Club Staff will make all decisions on rules of golf at each event. We will not tolerate any cheaters, sandbaggers, or whiners!
3. The cost of each event will vary month to month and will be competitive with current pricing. The event fee will cover green fees, cart fees, range balls, and tournament prizes. A minimum of \$15.00 per player will go towards prizes for each event. There is also a \$10.00 optional gross and net skins game at each event that will be paid out in cash (if the game of the week allows for both gross & net skins). The 2023 AGA Handicap is also included in the 2023 Membership Fee.
4. We will pay out a minimum of 30% of the field in each event depending on the format for that event. Most events will be Gross & Net. All prizes are paid out in gift certificates for golf shop merchandise. We will special order product for you if we have an account for the requested vendor. Player Points will be awarded at each event, we will have prizes awarded at the end of the year for the top point winners.
5. We will have approximately 2 events per month. The events will be held on Saturdays or Sundays. There are 4 major events that are held over 2 days which are also on Saturdays and Sundays. To be eligible to play in the Men's Club Championship you must have played in at least 3 events and be a member of The Lone Tree Men's Club. You may bring a guest and they may participate in the game of the day if they have an established handicap. If players do not have an active handicap and would like to play in an they will have to play as a zero handicap. Guests may play in two events per year as a guest before joining the Men's Club.
6. All events will be shotgun starts except for some of the 2-day major events where one or both days could be tee-time starts. Slow play will NOT be tolerated! Each event will be played in 4 ½ hours or less.
7. As a Men's Club Member, we extend discounts to you on green fees on non-event days. This discount is for you and your guests. Please call the shop when making tee times and identify yourself as a Men's Club Member to receive your discount.
